

Dear: Sponsor

Hello, my name is Brandon Holiday and I am the Executive Director of Athletes with Disabilities Network Northeast. Athletes with Disabilities Network Northeast Chapter is a private, non-profit, community organization that focuses on mentoring & outreach, with a secondary recreational adaptive sports program serving veterans and community members with a disability and first responders, ages 6 and up, in Southern Pennsylvania, Delaware, New York, and New Jersey areas. The focuses of our programs are to assist community members with a disability through mentoring outreach and sports participation, which promotes healthy lifestyle changes after the disabling event.

Our events create opportunities for interactions in social settings with other members with disabilities, their families, and other mentors. This allows the newly injured person to see a better quality of life is possible and expands preconceived notions of disability and focuses on the abilities of what a person can achieve.

On November 14th, 2021 at Cooper River Park we have a 5k, which we use as a fundraiser to support our programs. We expect to have approximately 250 runners at our event, which will be held at Jack Curtis Stadium, Cooper River Park, 1301 N. Park Drive, Pennsauken, NJ 08109. This event is our first in-person fundraiser since the pandemic and we are hoping we will be successful in raising crucial funds to support our program and those we serve. There are multiple levels of sponsorship to choose from should you be inclined. We felt your organization would complement our existing list of sponsors and would be so grateful if you chose to support us at this event. (Camden County Board of Freeholders, Haddonfield Running Co. etc.).

If interested in supporting our program, please let me know by email or phone (see below) which option below will be suitable for your needs: All donations and sponsorships are tax-deductible.

Thank you for your time and consideration.

ADNNEC provides adaptive sports for intellectual and physically disabled community members, veterans, first responders, and youth ages 3 and up. Our events create opportunities for interactions in social settings with other disabled members, their families, and other mentors. For those newly injured it allows this person to see a better quality of life and the possibilities. It expands preconceived notions of disability and focuses on the abilities of what a person can achieve.
